Reasons for Allowance

1. Claims 1,3-6,8-11,13,14, and 16 are allowed.
2. The following is an examiner's statement of reasons for allowance:

This application is for a head arm assembly.

- **Claims 1 and 6** specifies a head arm assembly, which requires:

"...a high-stiffness arm member generating no load, a flexure with one end section fixed to one end section of said arm member, said flexure being fixed to said head slider and having a resilience for determining flying attitude of said head slider, a top end of said flexure being positioned back from a top end of said arm member..."

These features, in combination with the other features of Claims 1 and 6, are not anticipated by, nor made obvious over, the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
